

CHRISTMAS ZENTANGLE!

Discover the Zentangle® Method, an easy-to-learn, relaxing and fun way to create beautiful images by drawing structured patterns known as 'tangles'. You will be introduced to a variety of 'tangles' and instead of working on traditional Zentangle® 'tiles' we will be tangling on gift tags, ideal for Christmas!

Materials

You can work with whatever materials you have handy however I will be using the following:

HB pencil

Eraser (if desired though not essential)

Sakura Black Pigma Micron pen 01 & 08 (Any fine nibbed black pens will do).

Chalk/pastel/watercolour/colour pencils – whatever you have handy.

Tortillon (Paper Stump) the finer the better, or ear bud, blender.

The gift tags are from Spotlight and measure 55mm x 110mm

The gift card is from Warehouse Stationery

“Mini cards and Envelopes White” 74mm x 105mm

50 cards and 50 envelopes \$6.50

(Alternatively you could make your own cards/gift tags)

Hope to see you there!
